CDIS Contact Database

Would you like to be contacted about future research studies in the OSU Department of Communication Sciences and Disorders (CDIS)?

If so, CDIS research faculty will keep contact information and some demographic and clinic information in a secured database for the purpose of contacting you when you or your dependent may be eligible for volunteer or paid studies.

Procedures: Sign a consent form and provide personal information

Time required: 5-10 minutes

Complete it online: https://is.gd/xIcYhj

Contact Person: Dr. Valerie Freeman
OSU Communication Sciences & Disorders
valerie.freeman@okstate.edu
